- Mrs. Clinton -

It's wonderful how
you can face a
Class like the typing
II Class with a smile
but you always do. It
sure helps coming to
Class with a smiling
teacher. I hope the
other students will
enjoy you as much
as we did.

Love always

Gaylene

P.S. Watch out

for tall blue eyed
men that fly a
plane.

You are the best teacher I've
every had and hope to have.
I don't know how you can
take us nuts all the time,
but I'm sure glad you do.
I'm really going to miss
you next year. But just hang
around and we'll probably be
back to visit. Good Luck
with the next typing II class.
I'm sure they won't be as
nutty as this one.

Love always
Pat
